Canada is a bilingual country with two official languages. English and French. The vast majority (75 per cent) of Canada's French-speaking inhabitants live in the province of Cubec, which is located in the eastern part of the country but there are French-speaking communities throughout the country.

According to a 1991 census, French is the mother tongue of 82 per cent of Qübec's population and is spoken at home by 83 per cent of Qübecers.

Internationally, it is estimated that some 800 million people speak English and 250 million speak French. As a bilingual nation, Canada offers superior English as a Second Language (ESL) and French as a Second Language (FSL) training for students wishing to learn either or both languages.

It was December. Carol had seen nine Christmas trees lighted on her birthdays, one after another; nine times she had assisted in the holiday festivities of the household, though in her babyhood her share of the gayeties was somewhat limited.

For five years, certainty, she had hidden presents for Mama and Papa in their own bureau drawers, and harbored a number of secrets sufficiently large to burst a baby's brain, had it not been for the relief agained by whispering them all to Mama, at night, when she was in her crib, a proceeding which did not in the least lessen the value of a secret in her innocent mind.

For five years she had heard "Twas the night before Christmas," and hung up a scarlet stocking many sizes too large for her, and pinned a sprig of holly on her little white night gown, to show Santa Claus that she was a "truly" Christmas child, and dreamed of fur-coated saints and toy-packs and reindeer, and wished everybody a "Merry Christmas" before it was light in the morning, and lent every one of her new toys to the neighbors' children before noon, and eathen turkey and plum pudding, and gone to bed at night in a trance of happiness at the day's pleasures.

From the reading, how old is Carol?	w

# My Rocket Ship

When I fall asleep, I dream about what it would be like to have a rocket shp. If I had a rocket shp, my first destination would be the Earth's moon, which is called Luna. When I got to Luna I would jump all around. Because there is little gravity I would be able to jump very high.

KARATIV

After I finished jumping all over the moon, I would fly to Saturn and travel around Saturn's beautiful rings. On my way to Saturn, I would by to avoid a number of Asteroids. Asteroids are large pieces of rocks and minerals.

In my science class I learned that would take me almost my entire life to travel to Pluto. Pluto is the last Planet in our solar system. Because it's so far from our Sun that it is super cold. I wish I could see Pluto up close.

# ANSWER THE QUESTIONS:

# 1. What is the name of Earth's Moon?

b. muna c. mooon

# 2. What is a unique feature of Saturn?

a. it's a moon c. it bright pink in color

b. ice c. plastic d. rock

# 4, which planet do think is furthest from our Sun?

# 5. Why is Pluto a cold planet?

a. it is too close to our Sun
 c. it's outside our solar system

d. has no moons

The Hottest Day

I woke up one August morning in a warm sweat. I ran to the refrigerator to get a cold drink, but the refrigerator was broken and all the drinks were as hot as me. I walked over to my electric fan, but it wasn't working either. I then turned on the television and finally realized that the electricity in my house was out.

Later that day, I went to the pool to cool off. I dived right in! I swam eight laps before I tired out. My friend Jeremy then bought me an ice cream cone. I got a vanilla ice cream cone with rainbow sprinkles.

Even though it was really hot, I did have a lot of fun.

# ANSWER THE QUESTIONS:

# What did the narrator want from the refrigerator?

a. a ham sandwich c. a drink d. an apple

# 2. Why does the electric fan not work?

b. it needed batteries d. it wasn't oiled c. the power was out

# 3. How many laps did it take for the narrator to tire of the pool?

# 4. Who bought the narrator an ice cream cone?

# 5. What was the flavor of the ice cream?

a. vanilla b. rainbow
c. chocolate d. strawberry
